Important Notes:

- Pricing varies based on complexity, organization, and completeness of records.
- All prior-year returns must be filed before current-year returns can be prepared.
- Additional forms, schedules, multi-state filings, cryptocurrency, and prior-year work are billed separately.
- IRS or CA tax letters, notices, and assistance are billed separately.
- Optional hard-copy document packages are available for an additional fee.
- All eligible returns are electronically filed unless not permitted by law.
